

# IZAZ UDDIN MOBHAMMAD ZUBAYER

## UNIVERSITY STUDENT

### ABOUT ME

I am a well organised and qualified primary communicator with a years of experience behind me. I have travelled many countries before. I can adapt my conversation style to suit the needs of diverse groups of individuals. I also have a passion for teaching and have achieved great key results in the past by helping students with their results. As a experienced communicator with years experience, I feel I would be well-suited for any role that requires communication skills. I am enthusiastic about it and have always strived to do the best. I am able to take on responsibility for learning and have experience of successfully managing a group of students in the past. I also have the enthusiasm and determination to ensure that I make a success of my role.

### SKILLS

#### COMPUTER PROGRAMMING ★★★★

January 2014 - Present

- Self-Taught programmer. Can write code in Python, Html, Css & Javascript and Swift. Did several projects and built sites. Also inspired and taught young juveniles to write code.
- Working on a website where people around the world suffering from depression can talk themselves out, creating awareness.
- Working on a productivity iOS app. App that has multi-functionality for keeping people in track.

#### COMMUNICATION ★★★★

January 2016

- Careful lesson planner with the skills to keep all records presentable and up-to-date.
- Active Listening - Through active listening, I understand better what the other person is trying to say, and can respond appropriately.
- Nonverbal Communication - My body language, eye contact, hand gestures, and tone of voice all colour the message I am trying to convey.
- Excellent ability to engage with individuals.
- Clarity and Concision - I try to convey my message in as few words as possible. I say what you want clearly and directly, whether I am speaking to someone in person, on the phone, or via email.
- Friendliness - Through a friendly tone, a personal question, or simply a smile, I will encourage my coworkers to engage in open and honest communication with me.
- Confidence - For me, it is important to be confident in my interactions with others. It shows my coworkers that I believe in what I am saying and will follow through.
- Empathy - I listen to other empathetically and respect their opinions.
- Feedback - I appropriately give and receive feedback is an important communication skill.
- Exceptional organizational skills.
- Outstanding communications abilities

#### CRITICAL THINKING ★★★

- I love brainstorming new ideas and find solutions to existing problems
- Determine the importance and relevance of arguments and ideas.
- Recognize, build and appraise arguments.
- Identify inconsistencies and errors in reasoning.
- Approach problems in a consistent and systematic way. Reflect on the justification of their own assumptions, beliefs and values

## PRIVATE TUITION TEACHING

- Taught students of Class 6,7,8,9 & IGCSE for 2 years
